

(If the characters do not show properly, please try viewing this email with UTF-8 encoding.)

Your customer must register their serial number to receive product update notifications. If this purchase includes Intel® Premier Support, your customer must register their serial number to use Premier Support. If this purchase does not include Premier Support, your customer can use the Community Forum at <http://software.intel.com/en-us/forums/>, or can purchase a Technical Support Incident if the forum does not give them the privacy or turnaround they require.

**Once the serial number has been activated or registered, the software is not returnable.**

For all other questions, please direct your customer to contact you.
