Dear Valued Supplier:

Subject: Authorizing TechAdvance Solutions to collect information

We have authorized TechAdvance Solutions to collect the data on our behalf and request information on the components / materials we procure from your company.

Representative from TechAdvance Solutions will contact you on our behalf and request for information related to Regulatory compliance, Component Life Cycle Status, recommended alternate parts and other important information, including but not limited to Certificates of Compliance and Material Declaration Forms.

Since the information requested by us is very urgent and critical for our company, we would appreciate if you can expedite your response.

For any questions concerning to this letter of authorization, please feel free to contact me.

Thank you in advance for your cooperation.

Sincerely,

Dominykas Būda
