

## How to Create A New License

This document serves as a guide to create Altera® software license(s) from the Self Service Licensing Center.

Step 1	:	Log on to the Altera Self Service Licensing Center. Navigation: <a href="http://www.altera.com/licensing">www.altera.com/licensing</a>
Step 2	:	Enter your logon name and password
Step 3	:	Click the <u>Self Service Licensing Center</u> link
Step 4	:	Click the <u>Products and Users</u> tab
Step 5	:	Click the <u>Create New License</u> button
Step 6	:	All unlicensed products will be displayed on the screen. If you have more than one of the same product, click the (+) sign to expand
Step 7	:	Double-click the line of the selected product to transfer to the <u>Selected Product</u> column. You can choose more than one product.
Step 8	:	The next screen will request you to select the available computers to assign the license product(s)
Step 9	:	Check the checkbox of the computer selected and click the <u>Next</u> button
Step 10	:	Verify your selection and click <u>Confirm Selection</u> button
Step 11	:	Click <u>Finish</u> button
Step 12	:	The license file will be sent to your email shortly otherwise it will be available in the <u>License File History</u> area. Click the license filename to download.
